

August=named after Julius's grandnephew Augustus because he defeated Marc Antony & Cleopatra=brought Egypt under control of Rome & ended the civil wars.

But it is really God's 5th month (no name), pagan name Av **and God's 6th month** (no name), pagan name Elul. 5783 by Rabbis "contrived" dating, but per 30 A.D. it really is +210 years=**5993**.

This calendar is NOT an averaging calendar. If you believe that Christ used an Averaging Calendar, **then you do NOT have salvation**, because **you cannot add "ANYTHING" to God's Bible Deut 12:32**.

Because if Christ **added an averaging calendar** then He broke His Father's Law and therefore was NOT and could not be a valid unblemished sacrifice for us=**NO averaging Holy Days**.

This Calendar portrays the "EXACT" Holy Day, as **no minister/person has the right to average/re-set** God's "**SET**" APPOINTED **HOLY Time!** www.SchoolOfElijah.org

Start/Celebrate God's Sabbath 1 day later in all Countries WEST of USA to Jerusalem, because the 1884 IDL International Date Line MOVED days 1 day ahead

Celebrate 1 day later= on Sunday in all Countries East of Jerusalem which includes **Australia, New Zealand, India, Pakistan, China, Russia, Iraq, Jordan**

If you follow the IDL, you will start God's Sabbath on the 6th Day Thursday Night and daytime on Friday, in Australia, New Zealand, etc., (see maps on next page for PROOF) **which is 1 day EARLIER before God starts His Sabbath Day at Jerusalem**. The Lunar Calendar for Jerusalem, Israel "sets" the START DATE for all God's months, going Westward around the earth from Jerusalem. You do NOT follow man's phony 1884 IDL (International Date Line) that causes Australia to move God's Holy Sabbath to the 6th day Friday starting Thursday evening, which is ridiculous. Yet all the **FOOLISH Church Ministers** stupidly follow the 1884 IDL= **having God's Sabbath start on Thursday night** in Australia, New Zealand, etc.. **God states: "Lights will Mark [start] days". Genesis 1:14**

No manmade changes are allowed to God's Bible Word Deut 12:32 Therefore God sets The Law, not men. When people did not know the exact day, they kept 2 days consecutively.

Will "YOU" obey God or men!

The **International Date Line (IDL)** is man's invention & PHONILY internationally accepted as a demarcation of the surface of Earth, running between the South and North Poles and serving as the boundary between one calendar day and the next. It passes through the Pacific Ocean, roughly following the 180° line of longitude and deviating to pass around some territories and island groups. Crossing the date line westbound increases the date by 1 whole day.

LOOK AT the 2 maps we have provided on the next page.

This calendar is the 6th Year of the 4th Sabbatical Cycle. The 27th year of the 120th year Jubilee Cycle. The 4th Sabbatical Cycle after the 119th Jubilee Cycle.
The Sabbatical Cycle of Sword, Famines.
Moon Phases are based on Jerusalem Time.

Will “you” OBEY God’s set time or **man’s** times? Man’s times CAUSE you to **work on** God’s **Holy Days!**

Stop denying the plain fact that you are **WORKING on God’s 7 Holy yearly Feast Days**
BECAUSE you use an Averaging Calendar that is NOT in God’s Bible.
AND

Stop denying the plain fact that BY USING man’s 1884 IDL (International Date Line), that **you are working on God’s 7th Day Holy Sabbath** in Australia, New Zealand, China, Russia, all the way to Pakistan.
