

January comes from Janus, a Roman god who stood for beginnings and transitions.^[1] January & February were added by Paganists.

But it is really God's 10th Month just called 10th month by God, pagan name Tevet, and God's 11th month just called 11th month, pagan name Shevat. 5783 but really is +207 years=5990/2023.

This calendar is NOT an averaging calendar. If you believe that Christ used an Averaging Calendar, **then you do NOT have salvation**, because you cannot add "ANYTHING" to God's Bible Deut 12:32.

Because then Christ broke His Father's Law and added an averaging calendar, and therefore was NOT and could not be a valid unblemished sacrifice for us.

This Calendar portrays the "EXACT" Holy Day, as **no minister/person has the right to average/re-set** God's "**SET**" APPOINTED **HOLY Time!** www.SchoolOfElijah.org
