

November From Latin novem (“nine”). It used to be the 9th month before January & February were added by Paganists.

But it is really **God's 8th Month** called **Bul** pagan name Chesvan, and **God's 9th month** just called 9th month, pagan name Kislev. 5990/2022.

This calendar is NOT an averaging calendar. If you believe that Christ used an Averaging Calendar, then you do NOT have salvation, because you cannot add “ANYTHING” to God’s Bible Deut 12:32.

Because then Christ broke His Father’s Law and added an averaging calendar, and therefore was NOT and could not be a valid unblemished sacrifice for us.

This Calendar portrays the “EXACT” Holy Day, as **no minister/person has the right to average/re-set** God’s “**SET**” APPOINTED **HOLY Time!** www.SchoolOfElijah.org
