

not just an oil "crisis"
Its a food crisis, border crisis,
electrical energy crisis,
drought crisis, pandemic crisis
& possible WW3 crisis. ever
get the feeling your not wanted?

02:04

race specific mRNA gene weapons

devaluation of fiat currency

war

famine

02:47

the vast majority of Americans
suffer from extreme normalcy bias,
they cant see  what's coming.
They will be caught completely
off guard
