

**September**= the Roman Latin *septem*- meaning “seven,” but it is the 9th month of their year= a **MISNUMBERED month**.

But it is really **God’s 6th month** (no name), pagan name Elul and **God’s 7th month** (no name), pagan name Tishrei. 5783 by Rabbis “contrived” dating, but per 30 A.D. it really is +210 years=**5993**.

This calendar is NOT an averaging calendar. If you believe that Christ used an Averaging Calendar, **then you do NOT have salvation**, because **you cannot add “ANYTHING” to God’s Bible Deut 12:32**.

Because if Christ **added an averaging calendar** then He broke His Father’s Law and therefore was NOT and could not be a valid unblemished sacrifice for us=**NO averaging Holy Days**.

This Calendar portrays the “EXACT” Holy Day, as **no minister/person has the right to average/re-set** God’s “**SET**” APPOINTED **HOLY Time!** [www.SchoolOfElijah.org](http://www.SchoolOfElijah.org)

**Start/Celebrate God’s Sabbath 1 day later in all Countries WEST of USA to Jerusalem**, because the 1884 IDL International Date Line MOVED days 1 day ahead  
**Celebrate 1 day later**= on Sunday in all Countries East of Jerusalem which includes **Australia, New Zealand, India, Pakistan, China, Russia, Iraq, Jordan**

If you follow the IDL, you will start God’s Sabbath on the 6<sup>th</sup> Day Thursday Night and daytime on Friday, in Australia, New Zealand, etc., (see maps on next page for PROOF) which is 1 day EARLIER before God starts His Sabbath Day at Jerusalem. The Lunar Calendar for Jerusalem, Israel “sets” the START DATE for all God’s months, going Westward around the earth from Jerusalem. You do NOT follow man’s phony 1884 IDL (International Date Line) that causes Australia to move God’s Holy Sabbath to the 6<sup>th</sup> day Friday starting Thursday evening, which is ridiculous. Yet all the FOOLISH Church Ministers stupidly follow the 1884 IDL= having God’s Sabbath start on Thursday night in Australia, New Zealand, etc. **God states: “Lights will Mark [start] days”. Genesis 1:14**

**No manmade changes are allowed to God’s Bible Word Deut 12:32 Therefore God sets The Law, not men.** When people did not know the exact day, they kept 2 days consecutively.

**Will “YOU” obey God or men!**

The **International Date Line (IDL)** is man's invention & PHONILY internationally accepted as a demarcation of the surface of Earth, running between the South and North Poles and serving as the boundary between one calendar day and the next. It passes through the Pacific Ocean, roughly following the 180° line of longitude and deviating to pass around some territories and island groups. Crossing the date line westbound increases the date by 1 whole day.

This calendar is the 6th Year of the 4<sup>th</sup> Sabbatical Cycle. The 27<sup>th</sup> year of the 120<sup>th</sup> year Jubilee Cycle. The 4th Sabbatical Cycle after the 119<sup>th</sup> Jubilee Cycle.

The Sabbatical Cycle of Sword, Famines.

Moon Phases are based on Jerusalem Time.

Will “you” OBEY **God's set time** or **man's** times?  
Man's times CAUSE you to **work on God's Holy Days!**

WAKE UP YOU MINISTERS and:

Stop denying the plain fact that you ministers

are:

1.) **WORKING on God's 7 Holy yearly Feast Days**

BECAUSE you wrong-headed, stubborn, unteachable ministers, use an **Averaging Calendar** that is NOT in God's Bible, and which changes God's Appointed Time HOLY DATES to be **1 day early** 2 days late, or **2 days early**, and 1 day late. Which “CAUSES” *you ministers to work on God's SET and immovable Holy Days*. But the Devil has you ministers tricked to use an Averaging Calendar. WAKE UP you sleepers. Ephesians 5:14 [New Living Translation](#) for the light makes everything visible. This is why it is said, “Awake, O sleeper, rise up from the dead, and Christ will give you light.”

And also as sinful is:

2.) You ministers by using the World's/Satan's International Date line  
You ministers are going along with moving God's Saturday Sabbath 7  
day to the 6<sup>th</sup> day in half the World.

Stop denying the plain fact that BY USING man's 1884 IDL  
(International Date Line), that **you are working on God's 7<sup>th</sup> Day Holy  
Sabbath** in Australia, New Zealand, China, Russia, all the way to  
Pakistan and Jordan next to Jerusalem, Israel, the starting point for  
God's Headquarters time.  
YOU cannot have God's Sabbath 1 day before God's Headquarters of  
Jerusalem does.

You little ministers are NOT Gods, therefore you ministers CANNOT change God's days/times.

The image shows a world map where different time zones are represented by various colors. A vertical grey bar is positioned over Jerusalem, which is marked with a pin and labeled 'A'. Below the map is a legend showing time zone offsets from UTC, ranging from +13 to +12, with UTC in the center. The offsets are: +13, +14, -11, -10, -9, -8, -7, -6, -5, -4, -3, -2, -1, UTC, +1, +2, +3, +4, +5, +6, +7, +8, +9, +10, +11, +12. A search bar below the legend is labeled 'Search city:' and contains the text 'Show city on map' with a search icon.
